

Jesus
IS THE
Way

1 Peter 1:1-6

We are pilgrims.

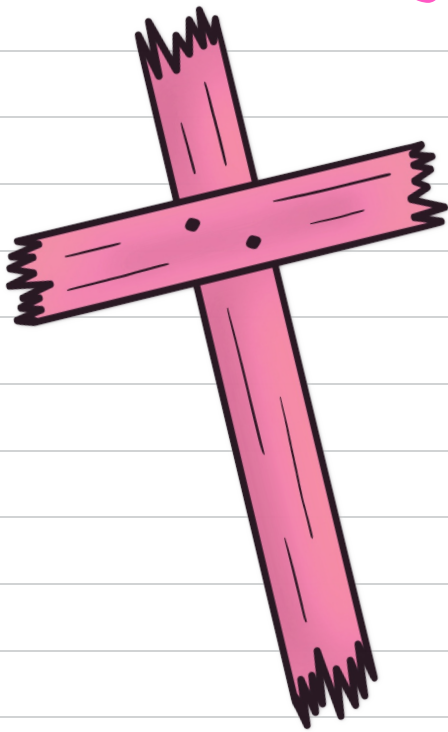

We are not of this land.

Our grieving & our trials are temporary.

Everyone washed in
the blood of the lamb
will live to live again.

Hope: the confident expectation in Jesus Christ. Hope is not just wishful thinking. We have Hope. Living hope. We have been chosen, cleansed & changed. Saved, set apart & sanctified by Jesus Christ.

Our inheritance cannot be taken away. It is incorruptible. It is undefiled and reserved just for us!

John 10:28-29

You cannot lose your salvation. You cannot be taken out of the Father's hand.

BUT

That doesn't mean you cannot

CHOOSE
to walk away from God.

Not everyone goes to heaven. Jesus is the **only** way. If you haven't been saved and changed, you don't have hope.
